

♥ February Specials at *Skintastik*

In honor of Valentine's Day and Chinese New Year, Skintastik has 3 wonderful \$99 Special offers for the month of February.

Choose one for just \$99-----

1. Ultrasonic Facial Treatment with a Lactic Exfoliation

This treatment provides a thorough exfoliation with little or no irritation and makes it a perfect alternative for those with Sensitive Skin, Acne, Rosacea, or Aging Skin. Antioxidants and cellular nutrients penetrate to the deepest layers of the epidermis to promote advanced healing and rejuvenation. The result of this treatment is a rejuvenated complexion and ongoing skin improvements beyond the treatment period.

2. Full Set of Eyelash Extensions

This technique takes one lash at a time and is applied to an existing lash. Pharmaceutical grade glue made in the USA is used to ensure safety for our clients. Lashes are resistant to water, sweat, showering, tears, and swimming. No mascara needed!

3. Clinical Facial with a Stress Relief Massage

Awaken that glow of health for your skin with our Clinical Facial designed for skin that is stressed, wrinkled, lacking in tone, or just needs a relaxing treatment. This exclusive treatment uses nature's natural resource of Lactic Acid to exfoliate, increase your skin's moisture supply, and restore its natural barrier. Along with the Clinical Facial enjoy the comfort of a stress relieving massage focused on the back, shoulders, arms, and scalp. This package is sure to start the month of right!

*Flirty Full Body Bronzing- \$35

Enjoy a body bronzing that will ensure to make you look 10lbs thinner! Typically will last 7-10 days.
